

The honorary category of Fellow is bestowed upon members who have made outstanding contributions to the radiologic technology profession and to the ASRT.

This category was initiated within the ASRT to honor members who were dedicated to the organization and contributed unselfishly to the profession. Each Fellow has committed to the advancement of the profession at the district, state, regional, national and international levels. Congratulations...Dr. Cheryl DuBose

2021 ARRT Fellow

Cheryl DuBose, Ed.D., R.T.(R)(CT)(MR)(QM), MRSO, is chair of medical imaging and radiation sciences and associate professor and program director of MRI and radiography at Arkansas State University where she has been an educator since 2007. She holds a doctorate in educational leadership from Arkansas State University in Jonesboro. Dr. DuBose is an

authority on magnetic resonance imaging. Her work in MRI and a wide array of MRI-relevant topics has been published in textbooks and scientific journals. She served on the ARRT MR Exam Committee for nearly five years and for the Joint Review Committee on Education in Radiologic Technology as a site visitor. She is a member of the Association of Collegiate Educators in Radiologic Technology where she has served as chair and in multiple leadership positions on the board of directors since 2011. Currently she leads the Radiologic Technology Editorial Review Board as chairman and is on the ARRT board of trustees. She has also served on the ASRT Scanner Editorial Advisory Panel, the ASRT Magnetic Resonance Curriculum Revision project and on several other committees. She is a longtime member of the Arkansas Society of Radiologic Technologists where she has taken on numerous leadership positions, including president.
