

Arkansas Society of Radiologic Technologists

EXHIBIT RULES

NOTE: Exhibit set-up may begin at 7:00 a.m. on Thursday morning of the convention. Exhibits should be set up by 12:00 p.m. (noon) on Thursday, and remain in place all day Thursday and removed no later than 5:00 p.m. on Friday of the convention.

PRIZES

There will be 1st, 2nd, 3rd place and honorable mention awards for both the student and technologist levels.

ELIGIBILITY

All members in good standing of the ArSRT are eligible to compete for awards, except:

ArSRT President

Convention Chairpersons

Convention Co-Chairpersons

Exhibit Chairperson

Exhibit Judges

Persons employed by a commercial firm engaged in the sale and/or manufacture of x-ray or nuclear products

JUDGING

- A. The judges are to be selected by the President and/or Exhibit Chairperson, and shall be responsible only to them.
- B. The selection of winning exhibits shall be based upon the ratings listed in the Exhibit Judging Evaluation Scale.

APPLICATION FOR SPACE

All entry forms must be received no later than *March 1*. There is no limit of exhibits per school. **The exhibit committee requests that students select an instructor, or ask the Program Director of the school, to collect applications and send them as a group electronically or by registered mail.**

- The total space allotted for any one (1) exhibit shall not exceed eight (8) 14 x 17 inch viewing spaces.
- Due to cost constraints, no actual films requiring illumination will be allowed. All images must be transferred to paper.
- Technologists must submit a \$10.00 entry fee at the time of application, or convention registration. Student convention registration covers the cost of any competition.
- All exhibit winners are required to attend the “Honors Banquet” to receive their awards, as requested by the Executive Board. The banquet will be provided by the ArSRT. Should a banquet not be held, awards will be given following the completion of the quiz bowl on Friday.

SUBJECT MATTER

Exhibits must be the work of the individual technologist/student and be entered in his/her name. The name of the hospital, office, or school may appear as part of the address on the “Application for Space & Entry” form. Names are NOT to be placed on the exhibit until judging is completed.

- The exhibit should consist of a subject pertaining to medical imaging and supplemented by such charts, photography, technical factors, etc., as needed.
- As with the state level, radiographs will not be allowed as part of an exhibit if it is submitted on the national level.
- All patient names, hospital or clinic names, and technologist names must be removed from any radiographic images used for display.
- Exhibits will NOT be considered for an award if they have been displayed at any radiological meetings, i.e. ACR, RSNA, AMA, ASRT, etc. They may, however, be displayed on a noncompetitive basis.
- No part of an award-winning exhibit is permitted to be used again in competition at the state level.
- **Commercially Printed Exhibits will be disqualified from the competition.**
